

Bertha Landrie

I am a French Cree Métis Elder born in Saskatchewan and came to Victoria in 1985. I am a member and Director with Métis Nation of Greater Victoria. I am also a member of the Aboriginal Education Council for School District 62. I present Métis History, Culture, Music and Dance in the classroom. Playing the spoons and teaching the students basic Red River Jig steps as part of my presentation is often a highlight for the students. I present to students from Kindergarten to Grade 12.
